

# Map of Landcare Framework in Australia

## ABOUT THE MAP

The Map of Landcare Framework in Australia\* is an ideal resource for Landcare staff and committee members to develop a thorough understanding of the Landcare landscape.

It is recommended that Landcare Networks include the framework map in induction kits for those joining the organisation's team.

\* This resource has been developed with thanks to Colleen Farrow, Chris Cumming, Danielle Littlewood and Sonia Williams.

DISCLAIMER: The information contained in this publication is based on knowledge and understanding at the time of June 2014. However, users are reminded of the need to ensure that information upon which they rely is up to date and to check currency of the information with the appropriate officer of Landcare NSW.
